As one of the most advanced chiropractic practices in Northern New Jersey, we use the latest techniques and equipment to diagnose and relieve your pain. Our expert chiropractic team will develop a multimodal treatment plan that is customized to your unique needs and goals. We're committed to restoring your quality of life!

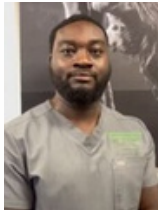

## Meet Our Providers

Dr. Kevin Cho

Dr. Olecia Witt

Dr. Akwete Sackey

*"I couldn't sleep, walk or ever be comfortable. I was in pain all the time even when I was sitting. Now I can finally workout without pain. Making an appointment in the hospital would take months but Urban Chiropractic saw me right away and I felt like brand new the next day. I am very happy with this practice and give them 5 stars out of five"*
